

Report to Astley Village Parish Council for 2024/25 (April to September)

Community Infrastructure Levy

Overview of how to allocate CIL receipts to Local Communities / Parishes / Town Councils

Local authorities must spend the levy on infrastructure needed to support the development of their area, and they will decide what infrastructure is needed. The levy is intended to focus on the provision of new infrastructure and should not be used to remedy pre-existing deficiencies in infrastructure provision unless those deficiencies will be made more severe by new development.

The table below is a quick guide on how the CIL is allocated to Parish / Town Councils, or how it is allocated in the event of no Parish / Town Council.

Parish Council ✓ Neighbourhood Plan ✓ = 25% uncapped, paid to Parish	Parish Council ✓ Neighbourhood Plan ✗ = 15% capped at £100/dwelling, paid to Parish
